## Field Trip

### Science Center

We are so excited to be going to visit the Science Center and learn about our planets in the Planetarium and Explore “It’s Electric.” There will be free time to explore all the hands-on activities, too. Reminder to pack your child a sack lunch for the trip.

## Stones River Women’s Club

### Writing Contest

Reminder: Short story and/or Poetry entries should be turned in on or before Monday, October 24th.

Please be sure to follow all guidelines that were sent home with your child including where to type your child’s name, address, phone number, etc.

It is always exciting to see how many winners come from Holy Rosary!

## 3P Web Page

3P now has a Web Page up and running! There is a Word Search Puzzle for our Spelling list this week, and a Crossword Puzzle for our vocabulary list, too. I am working on adding some pictures to the page and the vocabulary for Science and Social Studies!

“The family that prays together, stays together.”  
Venerable Father Patrick Peyton

Pray the Rosary as a family!

“Stay with me, Lord, for I desire to love You ever more, and to be always in Your company.”

## Prayer Corner
