

Holy Rosary Academy

Band Enrollment Contract

2009-2010

Please permit my child to enroll in the Holy Rosary Band Course for the school year 2009-2010.

I understand that this is a graded course like P.E. The grades are E (excellent), G (good), N (needs improvement), U (unsatisfactory). Grades are based on attendance, practice records, and playing tests given in the classroom.

I understand, also, that this course requires a year-long commitment. Enrollees will be expected to punctually attend every band class, and concert, and to complete the course by appropriate participation through the entire school year.

I understand that should the instructor determine that a student is not able to satisfactorily continue in the course, for academic or other reasons, he retains the right to dismiss the student, and in such cases, the parents of the student will be responsible for full payment of the semester during which the dismissal occurs.

I understand that my child will not be permitted to “drop” this course after the first two weeks, unless, as stated above, the instructor determines that the student’s dismissal is necessary.

I understand that the band fee will be \$140, and that I will pay the fee on or before September 28th.
