

Band Enrollment Contract 2011-2012

Please permit my child, _____, to enroll in the Holy Rosary Band Course for the school year 2011-2012.

- I understand that this is a graded course like P.E. The grades are G (good), S (satisfactory), N (needs improvement), U (unsatisfactory). Grades are based on attendance, practice records, and playing tests given in the classroom.
- I understand, also, that this course requires a year-long commitment. Enrollees will be expected to punctually attend every band class and concert and to complete the course by appropriate participation through the entire school year.
- I understand that should the instructor determine that a student is not able to satisfactorily continue in the course, for academic or other reasons, the instructor retains the right to dismiss the student, and in such cases, the parents of the student will be responsible for full payment of the semester during which the dismissal occurs.
- I understand that my child will not be permitted to “drop” this course after the first two weeks, unless, as stated above, the instructor determines that the student’s dismissal is necessary.
- I understand that the student is responsible for their band equipment at all times which includes properly storing the instruments at the designated Academy location.
- I understand that the band fee will be \$200, and that the fee is due to be paid in full on or before November 15th, with the first installment of \$100 due October 15th. ***(Holy Rosary Academy does not keep this fee. This money is collected as payment to Father Ryan High School for the services of a Band Director.)*** If you have questions concerning this fee, please contact Mrs. Berry in the school office, 883-1108, or by email at berryc@holynosary.edu.
